Playing Songs Backwards in Audacity is the New Stupid ... ;

Judaism of the Torah, Talmud, and Zohar was the Original

Cult and Christianity is an Offshoot of the Zionist Cult,

Christianity and Judaism make no sense, are anti science

fairy tales, contradict in the scripture, and are both

clearly defined as cults based on their doctrine and

scriptures, were talking about Four Books that were

written at unknown times, by unknown authors, and

unknown sources and were supposed to not question

it and blindly believe in it by faith, that right

there just clearly defines it as a cult, only cults

do that, and it is also illegal in sixteen countries

to question the holocaust or question why some jews

get to have Six or More Travel Passports and eat at

jew only country clubs and live in Noble Banking Mansions

in places such as England, Antartica, Mesopotamia, and

we are given the same message that Israel has the

right to defend itself, without dare questioning the

actual situation of both Israel and Palestine, we are

also not supposed to question the Ideology of Zionism.

We can't question manuscripts such as The Protocols of

Zion without being labeled an Anti Semite. We can't

even accuse Israel of War Crimes on Palestine without

being persecuted, we are not shown the sate of Palestine

and Israel both in Mainstream Six Company Press which

is all Zionist Jew Controlled. We cannot Say that Mossad

Israel Zionism is behind 911 without being labeled.

As for Human Trafficking you have The Vatican, Group

Homes, Psychiatric Homes, Foster Care, The CPS System,

and all of these new movies do not expose Jack Shit.

We gentiles are called nobodies by Zionist Jews such

as Ovadia Yosef and Rabbi Finklestein, now look them up

on Bitchute, Odysee, Ugetube, Altensored see for yourself

and you will know the hell I am even talking about LOL.

All this brainwashing about WWII and our Actual Real History, The Fake Victor History gives me Blind Rage. You people think Hitler was a bad man when he got Germany out of a Banking Debt, the jews lied about him, the Holocaust is just so impossible to prove, and six Jewish Companies control your Television, Radio, Internet. So who else has blind rage besides people who are brainwashed lemmings who accept the Fake Holocaust and WWII History Crap Taught by victors when Semites get the Actual Real History. This is not just an Anti White Agenda, it is an Agenda to Erase Speech and Rewrite History, and you people fail to realize America USA is Still a British Crown Colony Corporation, your rights are imaginary and you own nothing. Much info is given in the Kyle Odom Manifesto and Protocols of the Learned Elders of Zion also My Struggle by Hitler was actually about what we could do to defeat the commies that was all it was about and you jews rewrote the history to your benefit as The Victor Version a BS Lie Version and the Priveledged Kohens get the actual real history whilst the Gentile do not. We have all heard of private school and we know the Est wants us indoctrinated by your public schools, and you indoctrinated brainwashed lemmings, fail to realize the system for what it is. The Stalking Program, why people shoot up places and go postal, is caused by Psychiatry, Freemasons, Sheriff's Departments ... ; It's nothing new that Freemasons are all part of the Government, do all the Human Trafficking and Pedophilia, it's nothing new that freemasons are The Other Satanists that other Satanists told me were uninterruptibly corrupt fools and just plain HOS ... ; You really think George WA is a Hero when his only claim to fame was he was another politician who just committed Treason and what was after that was The Act of 1871, and then we demonize Hitler when all he did was fight the Jewish Communists, Marx was a Jew, Had Jewish Parents, Hitler Got Germany out of a Bank Debt and you Brainwashed lemmings still accept Global Warming and The Holohoax and you do not realize Hitlers only crime was he improved Germany's economy and competed with Commies ... ; And your Prayer, Faith, God, never helped with anything and is only based on

a Jewish Libelling/Culling Blood Cult called Judaism, so many Kohen Jews do
